Sabbath School

Our Sabbath School format is a special mission emphasis known as World Sabbath on the first Sabbath of each month, with special features highlighting our world mission work; then lesson study only for the other Sabbaths.

We extend the hand of Christian fellowship to all who have come to worship. We especially want to welcome our visitors. May our prayers and the hearing of God's word make our burdens lighter, our hearts encouraged, and our souls refreshed. Welcome friends!

No Talent Night, 6 p.m. tonight! Even if you're not participating, please come out and support those who are. Please bring finger foods, and come and enjoy the program.

All members of the Building Committee please note: The committee will meet Monday January 29th at 7 p.m. The issues will be limited to the parking lot plans only.

Prayer meeting will be at 7 p.m. this Wednesday. Come join us in studying and praying together.

Choir Practice will be this Thursday at 7 p.m.

New Goal Set: The church in business session has given support to reducing our church mortgage down to \$100,000 by December 2007. Our pastor challenged each one of us to make a commitment to give or raise \$1000 each between now and December, above our usual giving.

Arden SDA Church will host a fund raiser concert Saturday, Feb 3rd, at 6:00 pm. This concert will be sprinkled with some great Russian music, some of which will be downloaded from Kovrov Russia; as well as some great music from members of the Arden Church . We ask you to come and 'Light Your World' in a special way. The Kovrov church has been burned by fire three times, and they are in the process of rebuilding. They are also in need of heat, something we take for granted. Join us for a musically spiritual evening.

Mount Pisgah Academy will host the Carolina Conference Music Festival for grades 5-9 students, February 15-16. Clinics will be held for choir, band, and handbells, with a special concert to be held Friday evening at 6:30 p.m. Home school students who are interested in participating in this event, or anyone who would like more information about the concert, please contact Kathy Brannan at 828/667-2535 ext 203.
